

# Square porcelain stoneware tiles for food retail, public areas and car dealerships

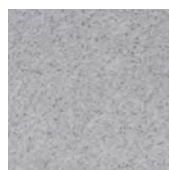

Our square porcelain stoneware tiles - Made in Germany - are the ideal choice for industrial floors in high-traffic areas of wholesale and retail, showrooms and social areas. Their durable, abrasion-resistant and extremely resilient surfaces can withstand even the heaviest loads. Thanks to their non-slip properties, they offer maximum safety, while their high-quality appearance and the option of customised print designs ensure an appealing design.
