

# Rectangular porcelain stoneware tiles for industrial floors

A wide range of shapes, colors, surface textures and tile thicknesses makes Argelith porcelain stoneware tiles the ideal floor covering – Made in Germany. Our rectangular porcelain stoneware tiles set standards in functionality and durability. They are easy to clean, abrasion and break resistant and extremely resilient, even under heavy mechanical influences. Sustainable, pollutant-free, odorless and 100% recyclable, they combine functionality and environmental awareness – the perfect choice for demanding areas of application.

**durable. hygienic. sustainable**

## Rectangular tiles

200 Light Grey

220 Titan Grey

230 Anthracite

300 Beige

400 Sand Yellow

510 Mars Red

R10 Smooth

R11/R12 Profiled

R12/R13 with V06-V10

### Rectangular 198 x 98 mm

Color	Thickness	Surface (slip resistance)					Requirement Pieces/sqm	Content pieces/box	Content sqm/pallet	Weight kg/sqm	Weight kg/pallet
		R10	R11	R12	R12/V06	–					
200 Light Grey	15 mm	R10	R11	R12	R12/V06	–	50	26	31.20	32.5	1,014
	18 mm	R10	R11	R12	R12/V06	R13/V10 on request	50	22	26.40	40	1,056
220 Titan Grey	15 mm	R10	R11	R12	R12/V06	–	50	26	31.20	32.5	1,014
	18 mm	R10	R11	R12	R12/V06	–	50	22	26.40	40	1,056
230 Anthracite	15 mm	R10	R11	R12	R12/V06	–	50	26	31.20	32.5	1,014
	18 mm	–	R11	R12	R12/V06	–	50	22	26.40	40	1,056
300 Beige	15 mm	–	R11	–	–	–	50	26	31.20	32.5	1,014
	18 mm	–	R11	–	–	R13/V10 on request	50	22	26.40	40	1,056
400 Sand Yellow	15 mm	–	R11	–	–	–	50	26	31.20	32.5	1,014
	18 mm	–	R11	–	–	–	50	22	26.40	40	1,056
510 Mars Red	15 mm	R10	R11	R12	R12/V06	–	50	26	31.20	32.5	1,014
	18 mm	R10	R11	R12	R12/V06	–	50	22	26.40	40	1,056

### Rectangular 240 x 115 mm

Color	Thickness	Surface (slip resistance)					Requirement Pieces/sqm	Content pieces/box	Content sqm/pallet	Weight kg/sqm	Weight kg/pallet
		R10	R11	–	–	–					
400 Sand Yellow	15 mm	–	R11	–	–	–	33	26	35.45	31	1,099
	18 mm	–	R11	–	–	–	33	22	30	37	1,110
510 Mars Red	15 mm	R10	R11	–	–	–	33	26	35.45	31	1,099
	18 mm	R10	R11	–	–	–	33	22	30	37	1,110

We offer other surfaces, thicknesses and special colors on request and from a certain order quantity. Thanks to our in-house processing and state-of-the-art digital printing technology, all colors and designs can be realized. Our current GTC (as of 03/2023) and accessories such as skirting boards, stair treads, coved plinths, internal/external mitre joints, internal/external external mitre joints, internal/external corners and Hexalith inserts can be found on our website: [www.argelith.com](http://www.argelith.com)

### Our service for your project.

Are you planning a project and need support with the selection and ordering of tiles? Do you have questions about technical requirements, patterns or local partners?
